## 101.1-BB-160-1 - Interlock Switch support bracket

## Description 101.1-BB-160-1 Interlock Switch support bracket

Use this robust mounting angle from Vianord to securely install interlock switches on your equipment. It's designed for use with CG-067 interlocks, but it does not come with screws and washers. This part comes with pre-cut mounting holes for ease of installation.
